

Personal Brand Website – Meeting Summary Report

Meeting With: Eunice De Campi

Following our meeting regarding the development and refinement of the personal brand website, below is a summary of the key discussion points and agreed action items.

1. Website Design & Visual Direction

- The current website design was noted as being visually too busy.
- The website layout and presentation will be refined to create a cleaner, more balanced, and elegant user experience.
- The overall theme and direction of the website should reflect an “umbrella” concept covering related areas such as Lifestyle, Well-being, and Second Season.
- The visual identity and structure of the website will be adjusted to better align with this broader thematic direction.

2. Fonts

- The current font will be replaced.
- Eunice will provide the preferred font from the previous website for consistency with the existing brand identity.

3. Logo

- Eunice will provide the logo from the previous website to be used on the new platform.

4. Color Palette

- Eunice will share preferred color palettes that should be incorporated into the website design and branding.

5. Text Styling

- Black text should not be used across the website.
- Alternative text colors aligned with the overall brand aesthetic and readability will be implemented.

6. Payment Integration

- A discussion was held regarding payment integration functionality for the website.
- Further implementation details will be finalized during development.

7. Newsletter Integration

- Newsletter functionality and the newsletter engine were discussed.
- MailerLite was previously being considered; however, Eunice may suggest an alternative platform after further consideration.
- DNS records required for newsletter integration will be provided by Eunice.

8. Blog Migration / Content

- Eunice will provide links to the WordPress dashboard where existing blog content can be accessed, OR
- Extract and send the blog content directly for migration to the new website.

9. User Interface Adjustments

- The arrow icon located at the top-right corner near the sign-in area should be removed.

Pending Items From Eunice

1. Preferred font files/style reference
2. Official logo files
3. Brand color palettes
4. DNS records for newsletter integration
5. WordPress blog access links or extracted blog content
6. Possible alternative newsletter platform recommendation
